PLUG & PLAY (e)QMS BOOTCAMP OVERVIEW

Plug and Play (e)QMS Bootcamp

Enhance your (e)QMS management and technical documentation skills with our Plug & Play (e)QMS Bootcamp. Choose between our hybrid Bootcamp or the self-study option for flexible learning at your own pace. Our Bootcamp is ideal for companies using or planning to purchase our Plug & Play (eQMS) SOP Packages.

Self-Study Bootcamp Includes:

- **Self-Study Modules:** Five detailed modules to build your QMS expertise.
- **1-on-1 Q&A Sessions:** Schedule an hour with an expert after each module.
- **12 Months Free Access:** Revisit content anytime with access to Effectum's e-Learning platform and additional training videos.

Hybrid Bootcamp Includes:

- **Expert-Led Modules:** Six workshops (2-4 hours each) over three weeks.
- **Flexible Participation:** Join workshops on-site or remotely and network with other companies.
- **Six Months Free Access** to additional training materials.

Earn a certificate upon completion. Connect, learn, and grow with Effectum's Plug & Play (e)QMS Bootcamp!

PLUG & PLAY (e)QMS BOOTCAMP

Plug & Play (e)QMS Bootcamp

1. **Get to know our process experts** and take the opportunity to ask your questions to the (e)QMS Management and your journey from Technical Documentation until CE certification and Post Market Surveillance.
2. **Receive training** including a training certificate on Effectum's (e)QMS and get to know how the SOP's and templates work. This will greatly facilitate your path to certification.
3. **Get 6-months free access to Effectum's e-learning platform** to update your know-how when it is needed.
4. Enjoy access to our **monthly online lunch sessions** held by **Effectum's team members and key partners** to share best practices, trends and latest insights on relevant topics for your venture's journey.
5. **Join interactive workshops over three weeks,** connecting with like-minded medical device start-ups.

This Bootcamp is designed for companies having purchased our QMS SOP package.

If you are part of one of our parntner programs, please reach out to us to learn more about or partnership offering. (Our partner:www.effectummedical.com/partners/)

SELF-STUDY
PLUG & PLAY (e)QMS BOOTCAMP

Join Our Self-Study Plug and Play QMS Bootcamp!

1. Learn at your own pace and dive into the various aspects of (e)QMS management. Our Bootcamp consists of five comprehensive modules, each designed to enhance your understanding and skills in quality management systems.
2. After completing each module, you can schedule a 1h Q&A session with the respective expert to clarify any questions and deepen your insights.
3. Enjoy **twelve months of free access to Effectum's e-Learning platform**, allowing you to update your knowledge whenever needed and allowing you to access some other videos, not directly part of the Bootcamp.
4. Additionally, participate for six months in our **monthly online lunch sessions** hosted by Effectum team members and key partners. These sessions are a great opportunity to exchange best practices, trends, and the latest insights on relevant topics for your business.
5. Upon completion of the Bootcamp, you will receive a **certificate and course confirmation to showcase** your achievement.

Unlock your potential in quality management with us—enroll today!

This Bootcamp is designed for companies having purchased our QMS SOP package.

Price (excl documents): 2000.- CHF per user, every additional user of your company gets a 50% discount if they sign up at the same time and the Q&A sessions are performed together!
